FREE WORKSHOP
BUSINESS CONTINUITY FOLLOWING DISASTERS
Thursday February 23, 2012, 10:30AM – 12:00PM

HOW WILL YOU KEEP SHIPPING AFTER THIS?

A major disaster could stop your shipments and even close your company forever.

BE PREPARED

Learn how to develop a Resiliency & Resumption Business Continuity Plan that will allow your company to reduce the impact of a major disaster and stay in business.
